

2010 Purim Basket Order Form

ORDER DEADLINE:
Friday, February 12, 2010

Once again, Congregation Beth Israel's Religious School Committee invites you to join in the Purim tradition of "Mishloah Manot" - celebrating friendship through the giving of gift baskets.

As tradition teaches, at least two different delicacies should be included so that the recipient may recite the appropriate blessings. But why stop at two? Our baskets will contain a variety of goodies, including hamantaschen. The baskets will be attractively prepared and delivered by Purim (February 28, 2010) to recipients with labels containing your name.

The Purim Basket program is the Religious School's largest fundraiser. Funds raised support the school by helping to offset the cost of special programming and tuition scholarships.

As a fundraising event, PLEASE NOTE that Purim Basket recipients will receive only ONE basket per household, with a gift tag identifying all well-wishers.

This year, you also have the option of donating baskets for the Caring Committee and Membership Committee to distribute to nursing home residents, shut-ins and new members. If you would like to donate baskets for this purpose, please indicate so in section C of this form.

We encourage you to join in the tradition of Mishloah Manot by completing this form and returning it to CBI's administrative offices **no later than February 12, 2010** and we THANK YOU in advance for your strong support!

This year's Purim treats will be delivered in bags made from 100% recycled materials!

Checks should be made payable to CBI.
